ISABELL (PRIVATE PARTY)

"The meal was absolutely perfect, the presentation was beautiful...shrimp, steaks, and chicken all to die for."
MARIEKA AND JAY (BRIDE AND GROOM)

"We were so impressed with the head chef. Not only were each of his dishes absolutely amazing, but he took time to introduce himself to us during our meal which continued to give it that personal touch. The service that we received may not seem like anything out of the ordinary to you, but it truly was. It is hard these days to find workers that go above and beyond and each of your employees exemplified that. Our experience just affirmed our choice to celebrate our special day at your establishment."
